Dear Mr. Webb,

I have never made a request for information of the National Security Council but the same general principles apply under the Act.

I doubt they will provide a copy of NSAM 273 unless it has been released. I have no knowledge of this.

You write them a letter in which you say that under FOIA you are requesting a copy and you identify the record.

Write FOIA request on the envelope and the letter, both.

If they don't provide it you can appeal. If they do not act on your appeal you can sue.

Sincerely,
